You Can Do It

YCDI's focus is on building social, emotional, and motivational capacity of young people rather than on their problems and deficits. Each week we will be selecting 2 children to receive special YCDI Commendations based on their efforts throughout the week.

Our winners for the week ending the 5th June 2009 were:

Phillippa Dustin	Andrew Christieson
Resilience Award	Resilience Award

Acting Principals Report:

Mrs. Turnidge would like to thank everyone who assisted on Saturday night with the Fireworks. It was a great night and everyone enjoyed themselves.

Years 3./4/5/6 sat the Science Test and results will be available towards the end of June.

Small Schools Athletic Carnival will be held on Friday 26th June 2009. Cost of bus is too expensive so cars will be required to transport students.

General Business:

Suggestion for next year that Raffle tickets be sent home earlier – as problems selling tickets for the chocolate wheel and raffle were confusing.

Due to the problems we had with some children with sparklers it was decided not to have sparklers next year. These are dangerous and can cause fires and injuries and if not handled correctly then problems occur. Parents were asked to supervise children with the sparklers and sadly it did not happen in all cases.

Coffee Car was successful he made \$200 on the night and we received a donation of \$20.

We also need to say thanks to the Dora Creek Rural Fire Service for their attendance on the night, once again they were very helpful.

Also we need to send home earlier a list of jobs for parents to allocate their time and job for. This year we were light on with helpers from the school, we had a few visitors who did assist us which was great and we thank them very much.

Thanks to Julie Myles for obtaining a lot of prizes for the Chocolate Wheel, Mavis & Peter Roberts for the onions and Needful Things for their donations. Certificates will be sent out for all donations.

Question regarding the school dentist – as far as we know we do not receive any visits from the Dental people, if you require any assistance contact the Polyclinic at Toronto.

The P & C have decided to have a Pie Drive. All families are asked to obtain as many orders as possible. All orders and money need to be returned to school before Thursday 2nd July 2009 and the orders will be delivered on the last day of term 10th July 2009.
